

The **Division of Student Affairs and Enrollment Management (DOSAEM) Assessment Committee** presents our Fall semester assessment workshop series and assessment training opportunities. Use this [registration link](#) to sign up.

Excel Tips and Tricks (Advanced)

You've used Excel to do sums and averages. Now, it's time to explore other formulas and features of Excel, including pivot tables and conditional formatting. And don't worry if you prefer Google Sheets; we'll look at some student affairs program examples in both Excel and Google Sheets.

Speaker: Tony Losongco, Learning Center

When: Thursday, February 29 | 2 p.m. to 3 p.m.

Where: Zoom

Chance to win one of five \$20 Gibson Farm Market gift card

Google Forms for Effective Assessment (Advanced)

Elevate your skills and make the most out of Google Forms! This interactive session is aimed at enhancing your proficiency, providing in-depth insights into advanced features and functionalities for efficient and accurate data collection. Before the workshop, you'll receive an invitation to complete a survey where you can share ongoing projects and specify areas you'd like to focus on during the session.

Speaker: Professor Andrea Wiemann, Psychology Department

When: Tuesday, March 12 | 10 a.m. to 11:30 a.m.

Where: Zoom

Chance to win one of five \$20 Gibson Farm Market gift card
